

IRB FEE SCHEDULES

The IRB will charge a submission fee for each protocol transaction reviewed with fees to vary according to the specific type of review required as described below. IRB fees are for review services and are not contingent upon approval of submissions.

Industry sponsored studies*

TYPE OF REVIEW	REVIEW PROCESS		
	FULL BOARD	EXPEDITED	ADMINISTRATIVE
Initial	\$2250	\$1125	\$300 *fee assessed for Exempt studies as they require yearly verification of Exempt status.
Continuing	\$500	\$250	\$100
Serious Adverse Events, Deviations/Violations	\$100	\$50	\$50
Revisions, information, and closures	\$300	\$150	\$50 * this fee includes determinations of Not Human Subjects Research and Quality Assessment or Quality Improvement determinations.

* Investigators are encouraged to charge IRB fees as direct cost in their budgets

Investigator-initiated, federally funded/cooperative, and non-profit studies

TYPE OF REVIEW	REVIEW PROCESS		
	FULL BOARD	EXPEDITED	ADMINISTRATIVE
Initial	\$800	\$350	\$100
Continuing	\$350	\$100	\$50
Revisions, information, and closures	\$100	\$50	\$50

* Some fees may be waived at the discretion of the IRB office for extenuating circumstances or when a fee would clearly create a meaningful obstacle to research conduct. **Note:** Piedmont Healthcare does not have a negotiated rate with the NIH but we do have a 30% overhead rate that is exclusive of IRB fees. Accordingly, and in compliance with NIH Policy NOT-OD-03-042, the PHCIRB may direct cost charge for IRB review.
