

Sponsor/Mentor Agreement

1. I understand that as the Sponsor/Mentor I have ultimate responsibility for the student researcher and the conduct of the study, the ethical performance of the project, the protection of the rights and welfare of human subjects, and adherence to any stipulations imposed by the IRB.
2. As the Sponsor/Mentor I will make sure all necessary arrangements have been completed with appropriate Piedmont Administration to have the student researcher working within Piedmont, and to the coordination of the student researcher's use of hospital personnel or facilities that may be required in connection with this research study.
3. As the Sponsor/Mentor, I will ensure that the student researcher understands all IRB processes, and complies with all regulations set forth as part of the research approval.
4. As the Sponsor/Mentor, I will ensure that the appropriate research staff are made aware of the student researcher project and understand their role in the project, if any.
5. As the Sponsor/Mentor, I will work with Piedmont staff to ensure that the student researcher has the appropriate oversight while working on the project.
