Cancer Wellness at Piedmont Newton Hospital

At Piedmont, we treat the patient—not just the disease. Because cancer treatment involves more than medical care, free services and programs such as yoga, cooking demos, expressive art classes, massage, and support groups are also available to anyone affected by cancer at any phase in his or her journey through Cancer Wellness at Piedmont, regardless of whether or not they are a Piedmont patient.

Each month, hundreds of cancer patients, survivors, and caregivers look to Cancer Wellness at Piedmont for support. To view a class schedule for all of our locations, visit [piedmont.org/cancerwellness](https://www.piedmont.org/cancerwellness).
